June 30, 2026 – Following a career spanning decades of service to clients, colleagues, and the legal profession, William (“Bill”) Hoffmann, a founding member of Grotefeld Hoffmann & Gordon LLP, recently announced his retirement from the practice of insurance subrogation law, with his transition process commencing on June 30, 2026. Grotefeld Hoffmann recognizes Bill for decades of dedicated service to the firm and its clients. Since co-founding the firm with Mark Grotefeld in 2007, Hoffmann has played an important role in shaping “GH” into a nationally recognized property subrogation titan with nine offices nationwide.

“As a co-founder, Bill played a central role in building the firm into the respected practice it is today,” said Mark Grotefeld. “We are grateful for his years of dedication and wish him continued success in his next chapter.”

Throughout his career, Hoffmann has earned a reputation among clients and peers alike through thoughtful counsel, strong advocacy, and a commitment to achieving successful outcomes in complex litigation.

“In 2007, Mark Grotefeld and I started the firm together and I consider it an honor to have been able to work with Mark, my other fellow partners, and the rest of the GH team,” said Hoffmann. “Together, we have created something of which I am deeply proud, a firm defined by excellence, integrity, and a commitment to serving our clients. I am grateful for the trust, friendship, and collaboration of my partners and for the opportunity to work with so many exceptional professionals over the years.
